JAP WARSHIPS AT
SAN FRANCISCO

OFFICERS ARE BEING ENTERTAIN-
ED BY AMERICAN ARMY AND
NAVAL OFFICERS—SQUADRON
BRINGS AMERICAN'S BODY

SAN FRANCISCO, May 14.—The
Japanese warships Tokiwa, Yakumo
and Admiral, with Admiral Tiwamura
commanding, have arrived here.
United States army and naval offi-
cers are welcoming the visitors. They
will remain several days, during which
time the officers and sailors will be
royally entertained.

The Japanese squadron bringing the
body of the late American ambassador
Guthrie home is expected to arrive
May 28th.

BEST SPRING TONIC
CUTS UNDERTAKERS' BILLS

WASHINGTON, May 14.—Here are
the ingredients for the best spring ton-
ic as recommended by the United
States public health service:
Spring gardening, fresh air, good
drinking water.

Taken with a little exercise in the
fly swatting and mosquito pool drain-
ing line, the service believes this pre-
scription will cut the undertakers' re-
ceipts.

TURNS HAIR DARK
WITH SAGE TEA

IF MIXED WITH SULPHUR IT
DARKENS SO NATURALLY NO-
BODY CAN TELL

The old-time mixture of Sage Tea
and Sulphur for darkening gray,
streaked and faded hair is grand-
mothers recipe, and folks are again
using it to keep their hair a good,
even color, which is quite sensible,
as we are living in an age when a
youthful appearance is of the great-
est advantage.

Nowadays, though, we don't have
the troublesome task of gathering the
sage and the mummy mixing at home.
All drug stores sell the ready-to-use
product, improved by the addition of
other ingredients, called "Wyeth's
Sage and Sulphur Compound" for
about 50 cents a bottle. It is very
popular because nobody can discover
it has been applied. Simply moisten
your comb or a soft brush with it and
draw this through your hair, taking
one small strand at a time; by morn-
ing the gray hair disappears, but
what delights the ladies with Wyeth's
Sage and Sulphur Compound, is that,
besides beautifully darkening the hair
after a few applications, it also pro-
duces that soft lustre and appearance
of abundance which is so attractive.
This ready-to-use preparation is a de-
lightful toilet requisite for those who
desire a more youthful appearance. It
is not intended for the cure, mitiga-
tion or prevention of disease.—Adv.

CIVILIZATION TO BE SHOWN HERE MAY 17-18

Pronounced by the press, public and
pulpit the country over as the "great-
est cinema production of modern
times," "Civilization" comes to this
city for a limited engagement of two
nights only, at the opera house, Thurs-
day and Friday, May 17th and 18th.

We have been treated by the local
theaters in the past to a number of ex-
cellent productions, but this is the first
time that a spectacle of this magnitude
has been offered, and no doubt will be
greatly appreciated by the theater pa-
trons of this city.

"Civilization" combines romance and
action, thrills with intense repressed
emotion, breaking out here and there

with a violence that has put the motion
picture producers to the supreme test
to achieve: it combines the supernat-
ural with the natural in the argument
for humanity. It is more than a mere
spectacle—it is the result of a master
mind and brain, depicted on the screen
in such an elaborate manner as to defy
description.

"Civilization" has appeared recently
four weeks at the Metropolitan theater,
Seattle; four weeks at the Hellig the-
ater, Portland; and a week at the Clem-
mer, Spokane, the Ansonia, Butte, and
the Phinney, Boise, to remarkable busi-
ness, and return engagements are an-
ticipated.

Moving Pictures

Helen Badgley, the Thanhouser kid-
let, is in the east supporting Vincent
Serrano, who is starred in "A Modern
Monte Cristo," the Pathe Gold Rooster
play to be the feature at the Star to-
night. Actresses before have retired
for various reasons—to be married,
to travel, etc.—but Helen has a new
reason. She lost her front teeth, and
had to stay out of the picture until the new
ones grew in.

LOS ANGELES, May 14.—Breakfast,

man and child in the city—this is the
possibility contained in "blue print
meals" designed by the domestic sci-
ence classes of the public schools here.

Glass of Hot Water
Before Breakfast
a Splendid Habit

Open choice of the system each
morning and wash away the
poisons, stagnant matter,

Those of us who are accustomed to
feel dull and heavy when we arise;
splitting headache, stuffy from a cold,
foul tongue, nasty breath, acid stom-
ach, lame back, can, instead, both look
and feel as fresh as a daisy by wash-
ing the poisons and toxins from the
body with phosphated hot water each
morning.

We should drink, before breakfast, a
glass of real hot water with a tea-
spoonful of limestone phosphate in it
to flush from the stomach, liver, kid-
neys and ten yards of bowels the pre-
vious day's indigestible waste, sour
bile and poisonous toxins; thus clean-
ing, sweetening and purifying the en-
tire alimentary tract before putting
more food into the stomach.

The action of limestone phosphate
and hot water on an empty stomach is
wonderfully invigorating. It cleans out
all the sour fermentations, gases,
waste and acidity and gives one a
splendid appetite for breakfast and
it is said to be but a little while until
the roses begin to appear in the
cheeks. A quarter pound of limestone
phosphate will cost very little at the
drug store, but is sufficient to make
anyone who is bothered with indiges-
tion, constipation, stomach trouble or
rheumatism a real enthusiast on the
subject of internal sanitation. Try it,
and you are assured that you will look
better and feel better in every way
shortly.—Adv.

lowed and carefully blended. There's no fragrance
like it—no fragrance so pure and appealing. Put it
up to your nose—"Your Nose Knows."

Try this Test: Rub a little Tuxedo briskly
in the palm of your hand to
bring out its full aroma.
Then smell it deep—its deli-

convince you. Try this test
with any other tobacco and
we will let Tuxedo stand
